

SECURITY REQUIREMENTS

U.S. citizens or nationals: Under the rules established by the Department of Justice, 28 CFR Part 105, prospective U.S. trainees must provide ABX Air, Inc. with proof of U.S. citizenship or nationality prior to scheduled commencement of any ground or flight training. Any of the following documents are considered sufficient proof:

1. A valid, unexpired United States passport;
2. An original or government-issued certified birth certificate with raised seal documenting birth in the United States or one of its territories, together with a government-issued picture identification of the individual named in the birth certificate;
3. An original United States naturalization certificate with raised seal, Form N-550 or Form N-570, together with a government-issued picture identification of the individual named in the certificate;
4. An original certification of birth abroad with raised seal, Form FS-545 or Form DS-1350, together with a government-issued picture identification of the individual named in the certificate;
5. An original certificate of United States citizenship with raised seal, Form N-560 or Form N-561, together with a government-issued picture identification of the individual named in the certificate; or
6. In the case of training provided to a federal employee (including military personnel) pursuant to a contract between a federal agency and a provider, the agency's written certification as to its employee's United States citizenship/nationality, together with the employee's government-issued credentials or other federally-issued picture identification.

Non-U.S. citizens: Prospective foreign trainees must go on-line to <https://www.flightschoolcandidates.gov> and apply for permission to receive training. This web site contains the application for aliens seeking to train at FAA-regulated flight schools. Candidates are required to complete this application prior to beginning flight training in accordance with 49 U.S.C. 44939 and 49 CFR 1552.
