RE: Wilmington Air Park, LLC

Dear Mr. Olin:

It has come to the attention of the State of Ohio that DHL Express USA, LLC may soon be considering actions related to the Wilmington Air Park that would trigger responsibilities pursuant to Ohio Revised Code Chapter 3752 (Cessation of Regulated Operations). This letter is sent to caution DHL to consider strict compliance with those requirements prior to or as a part of any future decisions it may make regarding the Wilmington air facility.

In order to meet these statutory requirements, I recommend that you consult information available at <http://www.epa.state.oh.us/dhwm/guidancedocs.html#CRO> and related sites. You may also wish to contact the Cessation of Regulated Operations Program Manager in Ohio EPA's Southwest District Office at (937) 285-6357.

Very truly yours,

Dale T. Vitale
Chief, Environmental Enforcement Section
